

PRESENTS

Aurora Women's Leadership Forum

Collaboration and Connection for Women and Girls

Tuesday, May 14, 2019, 10:00 am
Legislative Office Building, Room 1E
300 Capitol Ave, Hartford

Collaboration and connection are strategies adopted by several new groups to advance policies focused on the needs of women and girls. Whether it is the newly launched Governor's Council on Women and Girls, the network of women and girls serving organizations in the Connecticut Collective for Women and Girls, or a local chapter of a national organization like the United States of Women, we're recognizing the power of joining forces to share resources and amplify the call for gender equity.

Join Aurora to discuss how collaborations and networks can create new possibilities, bring more attention to the needs of women and girls in our community, and result in better programs and policy.

Stronger together is a model that new coalitions are adopting to promote the interests of women and girls throughout Greater Hartford, the state of CT and even the nation. What does that model look like? Can it succeed? How are women leading new collaborations?

Join us on May 14 and add your voice! This event is free.
